Amendment

Remove lines 387-393 and insert:
workers, career specialists, and school psychologists. Certified
school counselors shall perform only the duties and functions as
provided by law and may only be used as support staff for
administrative duties, including, but not limited to,
coordinating, administering, or monitoring academic testing and
testing programs, working bus or cafeteria lines, or substitute
teaching if the performance of such administrative duties does
not limit their ability to perform the duties and functions
required by s. 1012.01(2)(b).
