Amendment

6 Remove lines 20-27 and insert:

7 Section 1. It is the intent of the Legislature to require
8 intensive postrelease supervision of offenders who have been
9 convicted of violent offenses, thereby assisting them in
10 successfully transitioning from prison back to the community and
11 reducing their rate of reoffending. It is also the intent of the
12 Legislature that the renaming of conditional release supervision
13 to mandatory supervision does not create a new program, but it
14 is merely a name change to accurately reflect the nature of this
15 non-discretionary release.
