13 performance of students at the school, the district school board
14 shall submit to the state board an implementation plan for the
15 turnaround option selected by parents.

16 2. If the state board determines that the turnaround option
17 selected by the district school board or another available
18 option is more likely to improve the academic performance of the
19 students at the school, the district school board shall adopt
20 such plan as designated by the state board. The state board
21 shall designate the plan submitted by the district school board
22 unless the state board makes a final determination that another
23 option is superior to the district school board's plan.
