Senator Sobel moved the following:

**Senate Amendment to Amendment (217746)**

Delete lines 11 - 35  
and insert:  
emergency services during evenings, weekends, and holidays;  
prepare a community living support plan; execute a cooperative  
agreement before providing services; and implement the  
requirements of this section for state-funded residents who  
reside in an assisted living facility that holds a limited  
mental health license. The department shall establish  
performance measures for mental health services provided to  
state-funded residents of assisted living facilities and report  
performance on an annual basis pursuant to s. 216.013.

14           (4) The Agency for Health Care Administration shall include  
15 in contracts with Medicaid reform plans, prepaid mental health  
16 plans, and managed care contract providers a requirement that  
17 residents have an assigned case manager; have emergency services  
18 during evenings, weekends, and holidays; have emergency  
19 psychiatric care when needed; and have a detailed protocol that  
20 explains how the provider will ensure appropriate supervision of  
21 the clinical needs of Medicaid-eligible individuals who reside  
22 in an assisted living facility that holds a limited mental  
23 health license. The agency shall require Medicaid managed care  
24 plans and prepaid mental health plans to establish performance  
25 measures for mental health services provided to state-funded  
26 residents of assisted living facilities and to report  
27 performance on an annual basis to the agency.
