The Committee on Transportation (Thompson) recommended the following:

**Senate Amendment to Amendment (299734)**

Delete lines 67 - 75  
and insert:

In a health care setting, the person to be tested shall be provided information about the test, and notified that the test is planned, that he or she has the right to decline the test, and that he or she has the right to confidential treatment of information identifying the subject of the test and the results of the test as provided by law. If the person to be tested

226178

11 declines the test, such decision shall be documented in the  
12 medical record. ~~No person in this state shall order a test~~
