ANALYST	STAFF DIRECTOR	REFERENCE	ACTION

I. Summary:

SB 1112 creates the Florida Retirement System Cash Balance Plan Trust Fund (trust fund). As a retirement trust fund of the Florida Retirement System (FRS), the trust fund will hold assets for members of the FRS Cash Balance Plan, and be administered by the State Board of Administration (SBA). The bill establishes a forfeiture account within the trust fund, and directs the SBA to ascertain from the Internal Revenue Service whether forfeited benefits from the plan may be used to pay for expenses of the plan in order to reduce future employer contributions.

As required by the constitution, the trust fund must be enacted by a three-fifths vote of the membership of each house of the Legislature.

II. Present Situation:

Article III, s. 19(f) of the Florida Constitution requires that every trust fund be created by a three-fifths vote of the membership in each house of the Legislature in a separate bill for the sole purpose of creating that trust fund. The Constitution also provides that all newly created trust funds terminate not more than four years after the initial creation unless recreated.

III. Effect of Proposed Changes:

Section 1 creates the FRS Cash Balance Plan Trust Fund in s. 121.603, F.S. In its trustee capacity the trust fund will hold the assets of, and serve as a fiduciary for, members of the FRS Cash Balance Plan. The bill provides direction to the SBA concerning credits for reasonable administrative expenses, creation of a forfeiture account to hold assets derived from benefits forfeited by participants, and service charges related to the funds.

Section 2 directs the SBA to ascertain from the Internal Revenue Service whether future employer contributions to the plan can be reduced by paying the expenses of the cash balance plan with funds derived from benefits forfeited by participants.

Section 3 amends s. 121.4503, F.S., to allow the FRS Contributions Clearing Trust Fund to disburse the employer and employee contributions it holds into the FRS Cash Balance Trust fund.

Section 4 provides an effective date of July 1, 2014, and makes enactment contingent upon the passage of an undesignated Senate Bill or similar legislation becoming law.
