SUMMARY ANALYSIS

Citizen support organizations (CSOs) and direct-support organizations (DSOs) are statutorily created entities that are generally required to be non-profit corporations and are authorized to carry out specific tasks in support of public entities or public causes. While CSOs and DSOs are subject to audits by the Auditor General and are subject to public records requirements, there is no single requirement for CSO and DSO reporting imposed by law.

There are many statutes that create or authorize the establishment of CSOs and DSOs. However, there is no formal review process in law to determine whether a CSO or DSO was established pursuant to such authorization, or whether the rationale for the authorization remains applicable.

The bill creates new reporting and transparency requirements for each CSO and DSO that is created or authorized pursuant to law or executive order and created, approved, or administered by a state agency. The bill requires each CSO and DSO to report information related to its organization, mission, and finances to the agency it was created to support. A contract between an agency and a CSO or DSO must require the CSO or DSO to provide such information to the agency, and must require the agency to terminate the contract if the CSO or DSO fails to provide the information for two consecutive years. The bill requires each agency receiving such information from a CSO or DSO to make the information available on its website, and to provide a link to the CSO's or DSO's website if such a website exists.

The bill requires each agency to annually report to the Governor, the Legislature, and the Office of Program Policy Analysis and Government Accountability the information provided to the agency by the CSO or DSO, and to make a recommendation on whether to continue, terminate, or modify the agency's association with the CSO or DSO.

The bill provides that a law creating or authorizing the creation of a CSO or DSO must state that the creation or authorization is repealed on October 1 of the fifth year after enactment, unless reviewed and saved from repeal through reenactment by the Legislature. The bill directs the Legislature to review CSOs and DSOs in existence on the effective date of the bill by July 1, 2019.

The bill provides for the future repeal of certain sections of law authorizing CSOs and DSOs unless those sections are reviewed and saved from repeal by the Legislature.

The bill may have an indeterminate fiscal impact on state government. The bill does not appear to have a fiscal impact on local government. See FISCAL COMMENTS.

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Present Situation

Citizen support organizations (CSOs) and direct-support organizations (DSOs) are statutorily created entities that are generally required to be non-profit corporations and are authorized to carry out specific tasks in support of public entities or public causes. While CSOs and DSOs are subject to audits by the Auditor General¹ and are subject to public records requirements, there is no single requirement for CSO and DSO reporting imposed by law.

Section 215.981, F.S., requires each CSO and DSO with annual expenditures in excess of \$100,000, created or authorized pursuant to law, and created, approved, or administered by a state agency, other than a university, community college, or district school board, to provide for an annual financial audit of its accounts and records to be conducted by an independent certified public accountant in accordance with rules adopted by the Auditor General and the state agency that created, approved, or administers the CSO or DSO. The audit report must be submitted within nine months after the end of the fiscal year to the Auditor General and to the state agency. Additionally, the Auditor General may, pursuant to his or her own authority, or at the direction of the Legislative Auditing Committee, conduct audits or other engagements of the CSO's or DSO's accounts and records.² The Auditor General is authorized to require and receive any records from the CSO or DSO, or from its independent auditor.³

Notwithstanding the above, CSOs and DSOs for the Department of Environmental Protection (DEP) or the Department of Agriculture and Consumer Services that are not for profit and that have annual expenditures of less than \$300,000 are not required to have an independent audit. These departments are required to establish accounting and financial management guidelines for the CSOs and DSOs under their jurisdiction, and must annually conduct operational and financial reviews of a selected number of CSOs or DSOs that fall below the \$300,000 threshold.⁴

There are many statutes that create or authorize the establishment of CSOs and DSOs. However, there is no formal review process in law to determine whether a CSO or DSO was established pursuant to such authorization, or whether the rationale for the authorization remains applicable.

Statutes that create or authorize the establishment of CSOs and DSOs include in part the following:

- Section 14.29(9), F.S., assigns the Florida Commission on Community Service to the Executive Office of the Governor to serve as an advisory board on matters relating to volunteerism and community service. Pursuant to the law, the commission may establish a DSO to receive, hold, invest, and administer property and funds and to make expenditures to or for the benefit of community service programs.
- Section 16.616, F.S., requires the Department of Legal Affairs to establish a DSO that supports the Council on the Social Status of Black Men and Boys and develops funding initiatives.
- Section 20.2551, F.S., specifies the organizational requirements and duties for a CSO to support DEP or individual units of DEP.
- Section 39.0011, F.S., authorizes the Office of Adoption and Child Protection in the Executive Office of the Governor to establish a DSO to assist the state in carrying out its purposes and

This DSO staffs the Division of Tourism Marketing in Enterprise Florida.⁵
- Section 288.809, F.S., establishes the Florida Intergovernmental Relations Foundation as a DSO organized and operated exclusively to solicit, receive, hold, invest, and administer property and, subject to the approval of the state protocol officer, to make expenditures to or for the promotion of intergovernmental relations programs.

Effect of Bill

The bill creates new reporting and transparency requirements for each CSO and DSO that is created or authorized pursuant to law or executive order and created, approved, or administered by a state agency. The bill requires each CSO and DSO to report information related to its organization, mission, and finances to the agency it was created to support. Specifically, the CSO or DSO must provide:

- The name, mailing address, telephone number, and website address of the organization;
- The statutory authority or executive order that created the CSO or DSO;
- A brief description of the mission of, and results obtained by, the organization;
- A brief description of the organization's plans for the next three fiscal years;
- A copy of the organization's code of ethics; and
- A copy of the organization's most recent federal Internal Revenue Service Return of Organization Exempt from Income Tax form (Form 990).

A contract between an agency and a CSO or DSO entered into on or after July 1, 2014, must require the CSO or DSO to submit the information that must be provided to an agency pursuant to this bill. The contract also must require the agency to terminate the contract if a CSO or DSO fails to submit the required information for two consecutive years. Each agency receiving such information from a CSO or DSO must make the information available on its website, and must provide a link to the CSO's or DSO's website if such a website exists.

The bill requires each agency to report the information provided to the agency by the CSO or DSO by August 30 of each year to the Governor, the President of the Senate, the Speaker of the House of Representatives, and the Office of Program Policy Analysis and Government Accountability, and to make a recommendation on whether to continue, terminate, or modify the agency's association with the CSO or DSO.

The bill provides that a law creating or authorizing the creation of a CSO or DSO must state that the creation authorization is repealed on October 1 of the fifth year after enactment, unless reviewed and saved from repeal through reenactment by the Legislature. The bill directs the Legislature to review CSOs and DSOs in existence on the effective date of the bill by July 1, 2019.

The bill provides for the future repeal of certain sections of law establishing, authorizing, or permitting the creation of CSOs or DSOs, or specifying requirements for and duties of a CSO or DSO. The bill does not provide for future repeal of all sections pertaining to a CSO or DSO. For example, the bill excludes university DSOs and the CSO authorized to support the Florida Historic Capitol.

II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

See FISCAL COMMENTS.

2. Expenditures:

See FISCAL COMMENTS.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

None.

2. Expenditures:

None.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

There may be an indeterminate fiscal impact to CSOs and DSOs caused by the reporting requirements in this bill.

D. FISCAL COMMENTS:

If the bill results in the repeal of CSOs or DSOs, the state may experience indeterminate negative and positive fiscal impacts.

An indeterminate negative fiscal impact may result from reduced revenues available to certain public entities that may receive support from CSOs or DSOs.⁹

The bill requires agencies to prepare and submit reports relating to information provided to them by CSOs and DSOs, and to make such information available on agency websites. These reporting and website modification requirements may result in a minimal negative fiscal impact on agencies.

An indeterminate positive fiscal impact on the state might result following the repeal of CSOs or DSOs if the state was previously required to provide financial support to such CSOs or DSOs; for example if the state was required to provide for reimbursement of per diem and travel reimbursements for the board members of such CSOs and DSOs.¹⁰

For 11 of the 29 CSOs and DSOs scheduled to repeal, the statutes do not address what should be done with funds held by these 11 CSOs and DSOs if the organizations cease to exist. The statutes direct what happens to the funds held by the other 18 organizations. For example, s. 413.615(6), F.S., requires the contract between the Florida Endowment Foundation and the Department of Education's Division of Vocational Rehabilitation to provide for the reversion to the state of any funds held by the Foundation if the contract is terminated. Another example includes the Automotive Insurance Fraud Strike Force. Section 626.9895(3), F.S., requires the contract between the Automobile Insurance Fraud Strike Force and the Division of Insurance Fraud of the Department of Financial Services to provide for the reversion to the state of any funds held by the Task Force if the Task Force is no longer approved to operate or the contract is terminated.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

The bill does not appear to require counties or municipalities to take an action requiring the expenditure of funds, reduce the authority that counties or municipalities have to raise revenue in the aggregate, nor reduce the percentage of state tax shared with counties or municipalities.

2. Other:

None.

B. RULE-MAKING AUTHORITY:

⁹ The Department of Elderly Affairs has indicated that if this bill results in the repeal of the authority for the Foundation for Indigent Guardianship, Inc., a DSO, the department would no longer receive support for its public guardianship programs through the State of Florida Public Guardianship Pooled Special Needs Trust. Agency Bill Analysis for HB 1153 by the Department of Elderly Affairs, March 5, 2014 (on file with the Government Operations Subcommittee).

¹⁰ See for example s. 14.29(6), F.S.

The bill does not appear to create a need for executive branch rulemaking or rulemaking authority.

C. DRAFTING ISSUES OR OTHER COMMENTS:

Other Comments: Reporting Requirements for CSOs and DSOs

The bill requires each CSO and DSO to annually submit to the agency that the organization was created to support a copy of the organization's most recent federal Internal Revenue Service Return of Organization Exempt from Income Tax form (Form 990). However, not all CSOs and DSOs are required by law to have federal tax exempt status.¹¹

IV. AMENDMENTS/ COMMITTEE SUBSTITUTE CHANGES

On March 31, 2014, the Government Operations Subcommittee adopted a proposed committee substitute for HB 1153 and reported the bill favorably as a committee substitute. The committee substitute:

- Removes certain proposed CSO and DSO annual reporting requirements related to expenditures and capital improvements.
- Revises the proposed annual report date by changing it to August 30 instead of August 1.
- Clarifies that any contract entered into between an agency and a CSO or DSO on or after July 1, 2014, must contain provisions that require the CSO or DSO to submit a report and requires the agency head to terminate the contract if the CSO or DSO fails to do so for two consecutive years.

This analysis is drafted to the committee substitute as passed by the Government Operations Subcommittee.

¹¹ See for example s. 744.7082, F.S.
