# ENROLLED 2014 Legislature

20141262er 30 2.a. That portion of a meeting of the commission or of a 31 rate proceeding on an insurer's rate filing at which a trade 32 secret made confidential and exempt by this paragraph is 33 discussed is exempt from s. 286.011 and s. 24(b), Art. I of the 34 State Constitution. The closed meeting must be recorded, and no 35 portion of the closed meeting may be off the record. 36 b. The recording of a closed portion of a meeting is exempt 37 from s. 119.07(1) and s. 24(a), Art. I of the State 38 Constitution. 39 c. This paragraph subparagraph is subject to the Open 40 Government Sunset Review Act in accordance with s. 119.15 and 41 shall stand repealed on October 2, 2019 2015, unless reviewed 42 and saved from repeal through reenactment by the Legislature. 43 Section 2. The Legislature finds that it is a public necessity that a trade secret, as defined in s. 688.002, Florida 44 45 Statutes, which is used in designing and constructing a flood 46 loss model and which is provided by a private company to the 47 Florida Commission on Hurricane Loss Projection Methodology, the 48 Office of Insurance Regulation, or a consumer advocate appointed 49 pursuant to s. 627.0613, Florida Statutes, be made confidential 50 and exempt from public records requirements and from public 51 meetings requirements. 52 (1) Disclosing trade secrets would negatively impact the 53 business interests of a private company that has invested 54 substantial economic resources in developing such model, and 55 competitor companies would gain an unfair competitive advantage 56 if provided access to such information. Reliable projections of 57 flood losses are necessary in order to ensure that rates for 58 flood insurance meet the statutory requirement that rates be

20141262er 59 neither excessive nor inadequate. This goal is served by 60 enabling the commission, the office, and the consumer advocate 61 to have access to all aspects of flood loss models and by 62 encouraging private companies to submit such models to the 63 commission, office, and consumer advocate for review without 64 concern that trade secrets will be disclosed through a public 65 records request. 66 (2) In addition, the Legislature finds that it is a public 67 necessity to protect trade secrets relating to such model which are discussed during a meeting of the commission or during a 68 69 rate proceeding on an insurer's rate filing held by the office, 70 because the release of such information via a public meeting or 71 proceeding would allow competitors and other persons to attend 72 those meetings and discover the protected trade secrets and would defeat the purpose of the public records exemption. The 73 74 Legislature also finds that it is a public necessity to exempt 75 from public records requirements the recordings generated during 76 those portions of a commission meeting or a rate proceeding at 77 which confidential and exempt trade secrets are discussed. Release of such recordings would compromise the discussions that 78 79 take place during the closed meeting or proceeding and would 80 negate the public meetings exemption. Current law provides a 81 public records exemption for trade secrets. As such, release of 82 the recordings generated during those closed portions of a 83 meeting or proceeding on trade secrets would compromise the 84 current protections already afforded to trade secrets. 85 Section 3. This act shall take effect upon becoming a law 86 if SB 542 or similar legislation is adopted in the same 87 legislative session or an extension thereof and becomes a law.
