Senate Amendment (with title amendment)

Between lines 1062 and 1063

insert:

Section 11. Present paragraph (c) of subsection (1) of section 385.203, Florida Statutes, is redesignated as paragraph (d), and a new paragraph (c) is added to that subsection, to read:

385.203 Diabetes Advisory Council; creation; function; membership.—

(1) To guide a statewide comprehensive approach to diabetes

484574

12 prevention, diagnosis, education, care, treatment, impact, and
13 costs thereof, there is created a Diabetes Advisory Council that
14 serves as the advisory unit to the Department of Health, other
15 governmental agencies, professional and other organizations, and
16 the general public. The council shall:

17 (c) In conjunction with the department, the Agency for
18 Health Care Administration, and the Department of Management
19 Services, submit by January 10 of each odd-numbered year to the
20 Governor, the President of the Senate, and the Speaker of the
21 House of Representatives a report containing the following
22 information:

23 1. The public health consequences and financial impact on
24 the state from all types of diabetes and resulting health
25 complications, including the number of persons with diabetes
26 covered by Medicaid, the number of persons with diabetes who are
27 insured by the Division of State Group Insurance, and the number
28 of persons with diabetes who are impacted by state agency
29 diabetes programs and activities.

30 2. A description and an assessment of the effectiveness of
31 the diabetes programs and activities implemented by each state
32 agency, the amount and source of funding for such programs and
33 activities, and the cost savings realized as a result of the
34 implementation of such programs and activities.

35 3. A description of the coordination among state agencies
36 of programs, activities, and communications designed to manage,
37 treat, and prevent all types of diabetes.

38 4. The development of and revisions to a detailed action
39 plan for reducing and controlling the number of new cases of
40 diabetes and identification of proposed action steps to reduce

484574

41 the impact of all types of diabetes, identification of expected
42 outcomes if the plan is implemented, and establishment of
43 benchmarks for preventing and controlling diabetes.
