Senate Amendment (with title amendment)

Delete lines 2469 - 2479

and insert:

4. Managed care plans serving children in the care and custody of the Department of Children and Families must maintain complete medical, dental, and behavioral health encounter information and participate in making such information available to the department or the applicable contracted community-based care lead agency for use in providing comprehensive and coordinated case management. The agency and the department shall

12 establish an interagency agreement to provide guidance for the
13 format, confidentiality, recipient, scope, and method of
14 information to be made available and the deadlines for
15 submission of the data. The scope of information available to
16 the department shall be the data that managed care plans are
17 required to submit to the agency. The agency shall determine the
18 plan's compliance with standards for access to medical, dental,
19 and behavioral health services; the use of medications; and
20 followup on all medically necessary services recommended as a
21 result of early and periodic screening, diagnosis, and
22 treatment.
