Program: Lottery Operations 36010000

In Section 06 On Page 327

In Section 06, on Page 327, preceding Line item 2687, INSERT the following:

From the funds provided in Specific Appropriation 2687 through 2705, the Department of the Lottery shall conduct an internal report determining the feasibility of a point of sale lottery terminal pilot program including forecasting the net amount of ticket sale revenue generated by each terminal. The report shall include the amount of point of sale machine revenue that would replace the amount of counter ticket sale revenue. The report shall be provided to the chair of the Senate Appropriations Subcommittee on General Government, the chair of the House Government Operations Appropriations Subcommittee, and the Executive Office of the Governor, Office of Policy and Budget, by October 31, 2014.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
