Following Specific Appropriation 96, DELETE:

From the funds in Specific Appropriations 9 and 96, \$40,000,000 is provided to school districts to support digital classrooms. Funds shall be calculated as follows: \$250,000 shall be the minimum for each district, and the remaining balance shall be allocated based on each district's share of the state's total unweighted student enrollment. Each district must submit a digital classrooms plan approved by the school board, by October 1, 2014 to the State Board of Education specifying how the funds will be used to implement the plan. Each submitted plan must include, but is not limited to, the following components: infrastructure needs including network and wireless components; delivery of digital instruction; professional development; accommodations for students with disabilities; assessments; digital tools; load testing; devices; and security. The plan must identify the district's anticipated return on investment for each component with a fiscal impact and include goals relating to increased student achievement and measurable outcomes based on the plan components. The plan must be submitted with superintendent certification and approved by

the State Board of Education prior to disbursement of funds. Each school district shall certify to the Department of Education, by September 1, 2015 for the 2014-2015 fiscal year, its use of funds from the Florida Digital Classrooms allocation and corresponding student performance outcomes. The commissioner shall submit a summary of the district reports to the Governor, President of the Senate, and Speaker of the House of Representatives.

AND INSERT:
