12 ability to properly store the transported weapon or firearm
13 pursuant to this chapter.

14 b. Leaving his or her residence and traveling to and
15 reaching a place within the geographical limits of the mandatory
16 evacuation area where the person reasonably and safely has the
17 ability to properly store the transported weapon or firearm
18 pursuant to this chapter.

19 2. This paragraph does not preempt any other provision of
20 law related to possession or transport of a weapon or firearm in
21 chapter 252, this chapter, or chapter 870, or possession of a
22 firearm in a public shelter.
