The Division of Recreation and Parks (DRP) within the Department of Environmental Protection oversees Florida’s 160 state parks. The DRP offers two types of annual entrance passes: the individual annual entrance pass for \$60 and the family annual entrance pass for \$120. The DRP currently provides park entrance fee discounts pursuant to the following:<sup>6</sup>

- Active duty members and honorably discharged veterans of the U.S. Armed Forces, National Guard, or reserve components receive a 25 percent discount on an annual entrance pass;
- Veterans with service-connected disabilities receive a free-for-life family annual entrance pass;
- Surviving spouses and parents of deceased members of the U.S. Armed Forces, National Guard, or reserve components who have fallen in combat receive a free-for-life family annual entrance pass; and
- Surviving spouses and parents of a law enforcement officers or firefighters who have died in the line of duty receive a free-for-life family annual entrance pass.

Current law does not address entrance fee discounts for county and municipal parks for current and former military personnel and their families or the families of deceased first responders. There are approximately 250 county and municipal parks and recreation agencies in Florida, each managing a number of park areas, which offer a variety of amenities.<sup>8</sup>

### **III. Effect of Proposed Changes:**

The bill creates sections 125.028 and 166.0447, F.S., to require county departments of parks and recreation and municipal departments of parks and recreation, respectively, to provide a partial or a full discount on park entrance fees to the following persons:

- A current member of the U.S. Armed Forces, including its reserve and National Guard components;
- An honorably discharged veteran of the U.S. Armed Forces, including its reserve and National Guard components;
- An honorably discharged veteran with a service-connected disability as determined by the U.S. Department of Veterans Affairs;
- The surviving spouse and parents of a deceased member of the U.S. Armed Forces, including its reserve and National Guard components, who died in the line of duty under combat-related conditions; and
- The surviving spouse and parents of a law enforcement officer or firefighter who died in the line of duty.

The bill also defines the term “park entrance fee” to mean a fee charged to access lands managed by a county or city park or recreation department, excluding expanded amenity fees for amenities such as, campgrounds, aquatic facilities, stadiums or arenas, facility rentals, special events, boat launching, golf, zoos, museums, gardens, or programs taking place within public lands.

The bill provides an effective date of July 1, 2014.

### **IV. Constitutional Issues:**

#### **A. Municipality/County Mandates Restrictions:**

This bill falls under subsection (b) of s. 18 of Article VII, Florida Constitution. Subsection (b) requires a two-thirds vote of the membership of each house in order to enact a general law reducing the authority that municipalities and counties had on February 1, 1989, to raise revenues in the aggregate. By adding a full or partial discount on county and city park entrance fees for current and former military members and their families and the families of deceased first responders, the bill has the effect of reducing revenues generated from park entrance fees. The bill may be exempt under insignificant fiscal impact, but no estimate is available at this time.
