The Committee on Appropriations (Grimsley) recommended the following:

1           **Senate Amendment to Amendment (647088) (with title**  
2 **amendment)**

3  
4           Between lines 4 and 5  
5 insert:

6           Section 1. Present subsections (10) and (11) of section  
7 394.9082, Florida Statutes, are renumbered as subsections (11)  
8 and (12), respectively, and a new subsection (10) is added to  
9 that section, to read:

10           394.9082 Behavioral health managing entities.—

484920

11           (10) CRISIS STABILIZATION SERVICES UTILIZATION DATABASE.-  
12 The department shall develop, implement, and maintain standards  
13 under which a managing entity shall collect utilization data  
14 from all public receiving facilities situated within its  
15 geographic service area. As used in this subsection, the term  
16 “public receiving facility” means an entity that meets the  
17 licensure requirements of and is designated by the department to  
18 operate as a public receiving facility under s. 394.875 and that  
19 is operating as a licensed crisis stabilization unit.

20           (a) The department shall develop standards and protocols  
21 for managing entities and public receiving facilities to be used  
22 for data collection, storage, transmittal, and analysis. The  
23 standards and protocols must allow for compatibility of data and  
24 data transmittal between public receiving facilities, managing  
25 entities, and the department for the implementation and  
26 requirements of this subsection. The department shall require  
27 managing entities contracted under this section to comply with  
28 this subsection by August 1, 2014.

29           (b) A managing entity shall require a public receiving  
30 facility within its provider network to submit data, in real  
31 time or at least daily, to the managing entity for:

32           1. All admissions and discharges of clients receiving  
33 public receiving facility services who qualify as indigent, as  
34 defined in s. 394.4787; and

35           2. Current active census of total licensed beds, the number  
36 of beds purchased by the department, the number of clients  
37 qualifying as indigent occupying those beds, and the total  
38 number of unoccupied licensed beds regardless of funding.

39           (c) A managing entity shall require a public receiving

484920

40 facility within its provider network to submit data, on a  
41 monthly basis, to the managing entity which aggregates the daily  
42 data submitted under paragraph (b). The managing entity shall  
43 reconcile the data in the monthly submission to the data  
44 received by the managing entity under paragraph (b) to check for  
45 consistency. If the monthly aggregate data submitted by a public  
46 receiving facility under this paragraph is inconsistent with the  
47 daily data submitted under paragraph (b), the managing entity  
48 shall consult with the public receiving facility to make  
49 corrections as necessary to ensure accurate data.

50 (d) A managing entity shall require a public receiving  
51 facility within its provider network to submit data, on an  
52 annual basis, to the managing entity which aggregates the data  
53 submitted and reconciled under paragraph (c). The managing  
54 entity shall reconcile the data in the annual submission to the  
55 data received and reconciled by the managing entity under  
56 paragraph (c) to check for consistency. If the annual aggregate  
57 data submitted by a public receiving facility under this  
58 paragraph is inconsistent with the data received and reconciled  
59 under paragraph (c), the managing entity shall consult with the  
60 public receiving facility to make corrections as necessary to  
61 ensure accurate data.

62 (e) After ensuring accurate data under paragraphs (c) and  
63 (d), the managing entity shall submit the data to the department  
64 on a monthly and annual basis. The department shall create a  
65 statewide database for the data described under paragraph (b)  
66 and submitted under this paragraph for the purpose of analyzing  
67 the payments for and the use of crisis stabilization services  
68 funded by the Baker Act on a statewide basis and on an

484920

69 individual public receiving facility basis.

70 (f) The department shall adopt rules to administer this  
71 subsection.

72 (g) The department shall submit a report by January 31,  
73 2015, and annually thereafter, to the Governor, the President of  
74 the Senate, and the Speaker of the House of Representatives  
75 which provides details on the implementation of this subsection,  
76 including the status of the data collection process and a  
77 detailed analysis of the data collected under this subsection.

78 (h) The implementation of this subsection is subject to  
79 specific appropriations provided to the department under the  
80 General Appropriations Act.
