I. Summary:

SB 680 re-creates, without modification, the Federal Grants Trust Fund within the Department of Business and Professional Regulation (department). The bill is effective July 1, 2014, and has no fiscal impact on state or local funds.

II. Present Situation:

Article III, s. 19(f) of the Florida Constitution requires the termination of all state trust funds within four years of their initial creation, unless the trust fund is exempted by the constitution or operation of law. The Federal Grants Trust Fund within the department is scheduled to be terminated on July 1, 2015.

Pursuant to s. 215.32(2)(b)2.g., F.S., a federal grants trust fund is a depository for funds that must be used for allowable activities funded by restricted program revenues from federal sources, including interest earnings and cash advances from other trust funds. The trust fund was by ch. 2011-60, L.O.F., to administer grants in the Division of Alcoholic Beverages and Tobacco and the Florida Building Commission. The specific grants have either been completed or transferred to another state agency. Therefore, for Fiscal Year 2013-2014, there is no appropriation from the Federal Grants Trust Fund within the Department of Business and Professional Regulation.

The department does not anticipate receiving any other federal grant funding; however, this trust fund provides the department with the necessary segregation of funds and proper alignment of agency accounts in accordance with the requirements of s. 215.32, F.S.

III. Effect of Proposed Changes:

The Federal Grants Trust Fund within the department is re-created without modification. Section 455.1165(3), F.S., which terminates the trust fund on July 1, 2014, is repealed.
