House

---

The Committee on Gaming (Margolis) recommended the following:

**Senate Amendment**

Delete line 8720

and insert:

(w) An identification of the infrastructure needs to support the construction and operation of a destination casino resort, including, but not limited to, the construction or improvements of roads, access ramps, bridges, or parking facilities. An applicant must pay for infrastructure needs that are identified in the application and that are identified, at any time, by the appropriate state, county, or municipal

606914

12 transportation agency. Public money may not be used for  
13 infrastructure needs of a destination casino resort.  
14 (x) Any other information the board may deem appropriate or
