584 facility.

585 1. In order for extended congregate care services to be
586 provided, the agency must first determine that all requirements
587 established in law and rule are met and must specifically
588 designate, on the facility's license, that such services may be

2. If an assisted living facility has been licensed for less than 2 years, the initial extended congregate care license must be provisional and may not exceed 6 months. Within the first 3 months after the provisional license is issued, the licensee shall notify the agency, in writing, when it has admitted at least one extended congregate care resident, after which an unannounced inspection shall be made to determine compliance with the requirements of an extended congregate care license. 643 3.2. A facility that is licensed to provide extended
644 congregate care services shall maintain a written progress

Section 21. Section 429.19, Florida Statutes, is amended to read:

429.19 Violations; imposition of administrative fines; grounds.—

(1) In addition to the requirements of part II of chapter 408, the agency shall impose an administrative fine in the manner provided in chapter 120 for the violation of any provision of this part, part II of chapter 408, and applicable rules by an assisted living facility, for the actions of any person subject to level 2 background screening under s. 408.809, for the actions of any facility employee, or for an intentional or negligent act seriously affecting the health, safety, or welfare of a resident of the facility.

(2) Each violation of this part and adopted rules must ~~shall~~ be classified according to the nature of the violation and the gravity of its probable effect on facility residents. The scope of a violation may be cited as an isolated, patterned, or widespread deficiency. An isolated deficiency is a deficiency affecting one or a very limited number of residents, or involving one or a very limited number of staff, or a situation that occurred only occasionally or in a very limited number of locations. A patterned deficiency is a deficiency in which more than a very limited number of residents are affected, or more than a very limited number of staff are involved, or the

987 situation has occurred in several locations, or the same
988 resident or residents have been affected by repeated occurrences
989 of the same deficient practice but the effect of the deficient
990 practice is not found to be pervasive throughout the facility. A
991 widespread deficiency is a deficiency in which the problems
992 causing the deficiency are pervasive in the facility or
993 represent systemic failure that has affected or has the
994 potential to affect a large portion of the facility's residents.

995 The agency shall indicate the classification on the written
996 notice of the violation as follows:

997 (a) Class "I" violations are defined in s. 408.813. The
998 agency shall impose an administrative fine for a cited class I
999 violation of \$5,000 for an isolated deficiency; \$7,500 for a
1000 patterned deficiency; and \$10,000 for a widespread deficiency.
1001 If the agency has knowledge of a class I violation which
1002 occurred within 12 months before an inspection, a fine must be
1003 levied for that violation, regardless of whether the
1004 noncompliance is corrected before the inspection ~~in an amount~~
1005 ~~not less than \$5,000 and not exceeding \$10,000 for each~~
1006 ~~violation.~~

1007 (b) Class "II" violations are defined in s. 408.813. The
1008 agency shall impose an administrative fine for a cited class II
1009 violation of \$1,000 for an isolated deficiency; \$3,000 for a
1010 patterned deficiency; and \$5,000 for a widespread deficiency ~~in~~
1011 ~~an amount not less than \$1,000 and not exceeding \$5,000 for each~~
1012 ~~violation.~~

Amendment No.

(c) Class "III" violations are defined in s. 408.813. The agency shall impose an administrative fine for a cited class III violation of \$500 for an isolated deficiency; \$750 for a patterned deficiency; and \$1,000 for a widespread deficiency ~~in an amount not less than \$500 and not exceeding \$1,000 for each violation.~~

(d) Class "IV" violations are defined in s. 408.813. The agency shall impose an administrative fine for a cited class IV violation of \$100 for an isolated deficiency; \$150 for a patterned deficiency; and \$200 for a widespread deficiency ~~in an amount not less than \$100 and not exceeding \$200 for each violation.~~

(e) Any fine imposed for a class I violation or a class II violation must be doubled if a facility was previously cited for one or more class I or class II violations during the agency's last licensure inspection or any inspection or complaint investigation since the last licensure inspection.

(f) Regardless of the class of violation cited, instead of the fine amounts listed in paragraphs (a)-(d), the agency shall impose an administrative fine of \$500 if a facility is found not to be in compliance with the background screening requirements as provided in s. 408.809.

~~(3) For purposes of this section, in determining if a penalty is to be imposed and in fixing the amount of the fine, the agency shall consider the following factors:~~

Amendment No.

~~(a) The gravity of the violation, including the probability that death or serious physical or emotional harm to a resident will result or has resulted, the severity of the action or potential harm, and the extent to which the provisions of the applicable laws or rules were violated.~~

~~(b) Actions taken by the owner or administrator to correct violations.~~

~~(c) Any previous violations.~~

~~(d) The financial benefit to the facility of committing or continuing the violation.~~

~~(e) The licensed capacity of the facility.~~

~~(3)-(4)~~ Each day of continuing violation after the date established by the agency ~~fixed~~ for correction ~~termination~~ of the violation, ~~as ordered by the agency,~~ constitutes an additional, separate, and distinct violation.

~~(4)-(5)~~ An ~~Any~~ action taken to correct a violation shall be documented in writing by the owner or administrator of the facility and verified through followup visits by agency personnel. The agency may impose a fine and, in the case of an owner-operated facility, revoke or deny a facility's license when a facility administrator fraudulently misrepresents action taken to correct a violation.

~~(5)-(6)~~ A ~~Any~~ facility whose owner fails to apply for a change-of-ownership license in accordance with part II of chapter 408 and operates the facility under the new ownership is subject to a fine of \$5,000.

1064 ~~(6)-(7)~~ In addition to any administrative fines imposed,
1065 the agency may assess a survey fee, equal to the lesser of one
1066 half of the facility's biennial license and bed fee or \$500, to
1067 cover the cost of conducting initial complaint investigations
1068 that result in the finding of a violation that was the subject
1069 of the complaint or monitoring visits conducted under s.
1070 429.28(3)(c) to verify the correction of the violations.

1071 ~~(7)-(8)~~ During an inspection, the agency shall make a
1072 reasonable attempt to discuss each violation with the owner or
1073 administrator of the facility, prior to written notification.

1074 ~~(8)-(9)~~ The agency shall develop and disseminate an annual
1075 list of all facilities sanctioned or fined for violations of
1076 state standards, the number and class of violations involved,
1077 the penalties imposed, and the current status of cases. The list
1078 shall be disseminated, at no charge, to the Department of
1079 Elderly Affairs, the Department of Health, the Department of
1080 Children and Families ~~Family Services~~, the Agency for Persons
1081 with Disabilities, the area agencies on aging, the Florida

1083 councils. The Department of Children and Families ~~Family~~
1084 ~~Services~~ shall disseminate the list to service providers under
1085 contract to the department who are responsible for referring
1086 persons to a facility for residency. The agency may charge a fee

1816 of a condition for which the enrollee was receiving care at the
1817 time of the termination, until the enrollee selects another
1818 treating provider, or until the next open enrollment period

1868 contracts shall provide state employees with the most cost-
1869 effective and comprehensive coverage available; however, except
1870 as provided in subparagraph (f)3., no state or agency funds
1871 shall be contributed toward the cost of any part of the premium
1872 of such supplemental benefit plans. With respect to dental
1873 coverage, the division shall include in any solicitation or
1874 contract for any state group dental program made after July 1,

The results of the test shall be released to the source of the exposure and to the person who experienced the exposure.

11. For the performance of an HIV test upon an individual who comes into contact with medical personnel in such a way that a significant exposure has occurred during the course of employment or within the scope of practice of the medical personnel while the medical personnel provides emergency medical treatment to the individual; or notwithstanding s. 384.287, an individual who comes into contact with nonmedical personnel in such a way that a significant exposure has occurred while the nonmedical personnel provides emergency medical assistance during a medical emergency. 2501 personnel.

2502 c. Costs of any HIV test performed with or without the
2503 consent of the individual, as provided in this subparagraph,

2520 f. If the source of the exposure will not voluntarily
2521 submit to HIV testing and a blood sample was not obtained during
2522 treatment for the medical emergency, the medical personnel, the
2523 employer of the medical personnel acting on behalf of the
2524 employee, or the nonmedical personnel may seek a court order
2525 directing the source of the exposure to submit to HIV testing. A
2526 sworn statement by a physician licensed under chapter 458 or
2527 chapter 459 that a significant exposure has occurred and that,

2543 and that, in accordance with the written protocols based on the
2544 National Centers for Disease Control and Prevention guidelines
2545 on HIV postexposure prophylaxis and in the physician's medical
2546 judgment, the information is medically necessary to determine
2547 the course of treatment for the medical personnel or nonmedical
