6 Remove lines 51-66 and insert:

7 Proprietary confidential business information is information
 8 that a promoter does not intend to be released or disclosed. It
 9 includes the number of ticket sales for a match; the amount of
 10 gross receipts after a match; trade secrets; business plans;
 11 internal auditing controls and reports of internal auditors;
 12 security measures, systems, or procedures; and information
 13 relating to competitive interests of the promoter. The
 14 disclosure of such information would adversely affect the
 15 business interests of the promoter providing the information by
 16 harming the promoter in the marketplace and by impairing the
 17 competitive business interests of the promoter providing the

18 information. Disclosure of such information would reveal the
19 business interests of the promoter, including its financial
20 status and business plan, thereby putting the promoter at a
21 competitive disadvantage. Competitors can use such information
22 to impair fair competition and impede competition. Thus, the
23 public and private harm in disclosing proprietary confidential
24 business information of a promoter significantly outweighs any
25 public benefit derived from disclosure. Section 2. The
26 Legislature finds that it is a public necessity that proprietary
27 confidential business information provided in the written report
28 required to be filed with the Florida State Boxing Commission by
29 a promoter after a match, or obtained by the commission through
30 an audit of the promoter's books and records, pursuant to s.
31 548.06, Florida Statutes, be made confidential and exempt from
32 s. 119.07(1), Florida Statutes, and s. 24(a), Article I of the
33 State Constitution.
