House

Senator Legg moved the following:

Senate Amendment (with title amendment)

Between lines 244 and 245

insert:

(g) Each school district shall provide teachers, administrators, students, and parents with access to:

1. Instructional materials in digital or electronic format, as defined in s. 1006.29.

2. Digital materials including those digital materials that enable students to earn certificates and industry certifications pursuant to ss. 1003.4203 and 1008.44.

906828

12 3. Teaching and learning tools and resources, including the
13 ability for teachers and administrators to manage, assess, and
14 monitor student performance data.
