	.	

The Committee on Community Affairs (Bradley) recommended the following:

Senate Amendment (with title amendment)

Delete lines 104 - 108
and insert:
Restoration Council. A concession must be granted based on business plans, qualifications, approach, and specified expectations or criteria. A privilege or concession may not be assigned or transferred by the grantee without the consent of the department.

(3) In order to provide transparency to the public,

476578

11 information on proposed concession agreements will be posted on
12 the department's website upon submittal to the department and 60
13 days before execution. The public shall be afforded the
14 opportunity to comment on proposed concession agreements before
15 execution.

16
17 ===== T I T L E A M E N D M E N T =====

18 And the title is amended as follows:

19 Delete lines 14 - 18

20 and insert:

21 met; prohibiting a grantee from assigning or
22 transferring such privileges or concessions without
23 the department's consent; requiring information on
24 proposed concession agreements to be posted on the
25 department's website upon submittal and 60 days before
26 execution;
