11021LEGISLATIVE ACTION

Senate	.	House
Comm: RCS	.	
04/22/2015	.	
	.	
	.	
	.	

---

The Committee on Appropriations (Montford) recommended the following:

**Senate Amendment**

Delete lines 320 - 327  
and insert:  
resolution upon its adoption. If the regulatory structure for the water or wastewater industry changes in a manner that authorizes a customer to choose to take service from an alternative supplier and the customer chooses an alternative supplier, the customer remains liable for paying the utility project charge if the customer continues to receive any service

866616

11 from the publicly owned utility for the transmission,  
12 distribution, processing, delivery, or metering of the  
13 underlying water or wastewater service.
