Appropriations Subcommittee on General Government (Dean)
recommended the following:

Senate Amendment

Delete lines 60 - 80
and insert:
may remain anchored or moored for 7 business days until
repaired, or in the event of extreme weather, until weather
conditions improve to the point where it is no longer perilous
to operate the vessel.

2. Vessels in transit upon which the owner, operator, or
person in charge of the vessel is incapable of safely operating

964588

11 the vessel due to physical exhaustion, provided that anchoring
12 or mooring is limited to one overnight period.

13 3. Vessels owned or operated by a governmental entity for
14 law enforcement, firefighting, or rescue purposes.

15 4. Construction or dredging vessels while on an active job
16 site.

17 5. Vessels actively engaged in commercial fishing.

18 6. Vessels engaged in recreational fishing whereby persons,
19 onboard or in the water in the immediate vicinity of the vessel,
20 are actively tending fishing gear other than traps.

21 7. Vessels present for the duration of events as described
22 in s. 327.48.

23 (c) An owner, operator, or person in charge of a vessel may
24 not anchor or moor a vessel if any of the following
25 circumstances exist unless the vessel requires safe harbor, in
26 which case a vessel may remain anchored, moored, or docked until
27 repaired, which must occur within 7 business days:
