At the end of existing proviso language, following Specific Appropriation 377I, INSERT:

From the funds in specific appropriation 377I, \$100,000 from the General Revenue Fund is provided to expand the Family Intensive Treatment (FIT) team model that is designed to provide intensive team-based, family-focused, comprehensive services to families in the child welfare system with parental substance abuse. Treatment shall be available and provided in accordance with the indicated level of care required and providers shall meet program specifications. Funds shall be targeted to select communities with high rates of child abuse cases and used statewide.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
