I. Summary:

SB 388 designates a certain bridge in Taylor County as “Private First Class Joey Moody Bridge” and directs the Florida Department of Transportation (FDOT) to erect suitable markers.

II. Present Situation:

Section 334.071, F.S., provides that legislative designations of transportation facilities are for honorary or memorial purposes, or to distinguish a particular facility. Such designations are not to be construed as requiring any action by local governments or private parties regarding the changing of any street signs, mailing addresses, or 911 emergency telephone number system listings, unless the legislation specifically provides for such changes.

When the Legislature establishes road or bridge designations, the Florida Department of Transportation (FDOT) is required to place markers only at the termini specified for each highway segment or bridge designated by the law creating the designation, and to erect any other markers it deems appropriate for the transportation facility.

The FDOT may not erect the markers for honorary road or bridge designations unless the affected city or county commission enacts a resolution supporting the designation. When the designated road or bridge segment is located in more than one city or county, resolutions supporting the designations must be passed by each affected local government prior to the erection of the markers.

III. Effect of Proposed Changes:

The bill, upon completion of replacement construction, designates bridge number 380096 on U.S. 221/S.R. 55 over the Econfina River in Taylor County as “Private First Class Joey Moody Bridge.”

Private First Class Joey Moody grew upon in Shady Grove on the Econfina River. He attended Shady Grove Grammar School and Graduated from Taylor County High School before attending the University of Florida. On June 21, 1952, PFC Moody, serving in Korea, was one of three men sent into enemy fire to repair a crucial communications line and lost his life when a mortar round exploded. He was posthumously awarded the National Defense Medal, the Korean Combat Medal, the Korean Battle Medal, and the Purple Heart.
