**I. Amendments Contained in Message:**

House Amendment 1- 702515 (body and title)

**II. Summary of Amendments Contained in Message:**

The House amendment is a “delete all” that is substantially the same as the Senate bill.

The House amendment does not include a provision that is in the Senate bill which requires a member of the Florida Historic Capitol Museum Council to use his or her personal and professional contacts for the advancement of the Florida Historic Capitol Museum.

The House amendment also allows the Florida Historic Capitol Museum Council and the Museum Director to put conditions on the Museum’s direct support organization. The Senate Bill granted this authority only to the Museum Director.

The House amendment also makes some editorial changes which do not alter the substance of the bill.
