Senator Garcia moved the following:

Senate Amendment (with title amendment)

Between lines 301 and 302

insert:

Section 3. Subsection (3) is added to section 552.30,
Florida Statutes, to read:

(3) The State Fire Marshall is directed to conduct or
contract for a study to review whether the established statewide
ground vibration limits for construction materials mining
activities are still appropriate and to review any legitimate
claims paid for damages caused by such mining activities. The

808674

12 study must include a review of measured vibration amplitudes and
13 frequencies, structure responses, theoretical analyses of
14 material strength and strains, and assessments of home damages.

15 (a) The study shall be funded using the specified portion
16 of revenues received from the water treatment plant upgrade fee
17 pursuant to s. 373.41492.

18 (b) The State Fire Marshal shall submit a report to the
19 Governor, the President of the Senate, and the Speaker of the
20 House of Representatives by December 1, 2016, which contains the
21 findings of the study and any recommendations.
