**I. Summary:**

SB 572 grants a partial exemption from the sales tax for sales of food and drink by a school support organization. The bill defines the term “school support organization” as an entity organized to raise funds to support extracurricular activities at public, parochial, or nonprofit schools teaching grades K-12.

The Revenue Estimating Conference has determined that this bill will reduce General Revenue receipts by \$1.5 million in Fiscal Year 2015-2016, with a recurring negative impact of \$1.5 million. The bill will reduce local government revenues by \$200,000 in Fiscal Year 2015-2016, with a recurring negative impact of \$200,000.

**II. Present Situation:**

Florida sales tax applies to retail sales of taxable items sold by schools and school-related organizations.<sup>1</sup> Without an exception, current statutes would require schools and school-related organizations to register as sales tax dealers, thereby requiring them to file returns, remit taxes and maintain necessary records.

Current law, however, exempts schools having grades K-12, parent-teacher organizations, and parent-teacher associations from typical dealer requirements by authorizing them to sell certain taxable items without collecting tax; however, they must pay sales tax to their suppliers on taxable purchases.<sup>2</sup> This treatment is authorized for school materials and supplies purchased, rented, or leased for resale or rental to students; items sold for fundraising purposes; and items sold through vending machines, including food or beverages sold through vending machines located in student lunchrooms or school dining rooms.

<sup>2</sup> Section 212.08(7)(II)2., F.S.

**III. Effect of Proposed Changes:**

**Section 1** authorizes school support organizations to sell food and drinks, and supplies necessary to serve such food and drink, without collecting tax; however, they are required to pay tax on the cost price of these items when purchased from the supplier.

The bill defines a “school support organization” as an entity organized to raise funds to support extracurricular activities at public, parochial, or nonprofit schools that teach grades K-12.

**Section 2** provides an effective date of July 1, 2015.

**IV. Constitutional Issues:****A. Municipality/County Mandates Restrictions:**

The mandates provisions of Art. VII, Section 18, of the Florida Constitution are implicated because this bill reduces the authority of municipalities and counties to raise revenue; however, the amount of the reduction is estimated to be insignificant. Therefore, the bill is exempt from the mandates provisions.
