12 physician to use medically acceptable contraceptive procedures,
13 supplies, or information or to restrict the physician-patient
14 relationship.

15 (b) Except in the case of a medical emergency, consent to a
16 vasectomy is voluntary and informed only if the physician who is
17 to perform the procedure, or the referring physician, has, at a
18 minimum, orally, while physically present in the same room, and
19 at least 24 hours before the procedure informed the man of the
20 nature and risks of undergoing or not undergoing the proposed
21 procedure which a reasonable patient would consider material to
22 making a knowing and willful decision of whether to undergo a
23 vasectomy.
