12 organization's places of business only in vehicles that are
13 owned or leased by the dispensing organization, its contractor,
14 or by a person designated by the dispensing organization, and
15 for which a valid vehicle permit has been issued for such
16 vehicle by the department.

17 2. A permitted vehicle must be operated by the person who
18 is designated by the dispensing organization, or its contractor,
19 on the vehicle permit application as the driver of the vehicle
20 when transporting low-THC cannabis or low-THC products from the
21 licensee's place of business.

22 3. A vehicle permit may be obtained by a dispensing
23 organization or its contractor upon application and payment of a
24 fee of \$5 per vehicle to the department. The signature of the
25 person designated by the dispensing organization or its
26 contractor to drive the vehicle must be included on the vehicle
27 permit application. Such permit remains valid and does not
28 expire unless the dispensing organization, its contractor, or
29 any person designated by the dispensing organization disposes of
30 his or her vehicle, or the licensee's license is transferred,
31 canceled, not renewed, or is revoked by the department,
32 whichever occurs first. The department shall cancel a vehicle
33 permit upon request of the licensee or owner of the vehicle.
