House

Senator Clemens moved the following:

Senate Amendment (with title amendment)

Delete lines 335 - 383

and insert:

3. Once licensed, applicants are authorized to operate in any region in the state, but a dispensing organization may not have cultivation or processing facilities outside the region in which it is licensed.

4. The department shall license a selected applicant unless the applicant fails to pay the licensure fee within 10 days of selection.
