SUMMARY ANALYSIS

Currently, there are over 260 county and municipal parks and recreation agencies in Florida, and most of them do not charge entrance fees. Although current law requires state parks to offer discounts on annual entrance passes to active duty servicemembers, honorably discharged veterans, and the surviving spouse and parents of fallen servicemembers, law enforcement officers, and firefighters, there is no such requirement at the county or municipal level.

The bill requires counties and municipalities to provide discounts on local park entrance fees to such individuals who present written documentation satisfactory to the county or municipal department, which evidences the individual's eligibility. Specifically, the bill requires county and municipal parks and recreation departments to provide a full or partial discount on park entrance fees to the following individuals:

- Current members, honorably discharged veterans, and veterans with a service-connected disability, of the United States Armed Forces, their reserve components, or the National Guard;
- The surviving spouse or parent of a deceased member of the United States Armed Forces, their reserve components, or the National Guard, who died in the line of duty under combat-related conditions; and
- The surviving spouse or parent of a law enforcement officer or firefighter who died in the line of duty.

The bill does not require Florida residency.

For the purpose of minimizing any potential fiscal impact on county or municipal revenue, the bill:

- Allows a county or municipal park to determine the amount of the discount in accordance with its financial circumstances; and
- Narrowly defines a "park entrance fee" to exclude fees for the use of campgrounds, aquatic facilities, stadiums or arenas, special events, and other expanded amenity fees.

Article VII, section 18(b) of the Florida Constitution requires any general law that reduces a local government's authority to raise revenues in the aggregate to be passed by a two-thirds vote of the membership of each house of the Legislature. However, Article VII, section 18(d) of the Florida Constitution provides an exemption from the two-thirds requirement for any general law that has an insignificant fiscal impact.

In 2014, the Revenue Estimating Conference estimated that the provisions of an identical bill would have an indeterminate, but likely insignificant fiscal impact on county and municipal government revenue. Although it is likely to have an insignificant negative fiscal impact to county and municipal governments, the Revenue Estimating Conference has not yet provided an estimate of the provisions of this bill.

The bill has an effective date of July 1, 2015.

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Current Situation

Military and Veteran Presence in Florida

Florida is home to over 61,000 active-duty military servicemembers,¹ over 36,000 Reservists,² and over 1.5 million veterans.³ Approximately 285,000 of Florida's 1.5 million plus veterans are service-disabled.⁴

The Florida National Guard (Guard) has nearly 12,000 members, with 9,900 National Guard personnel and 2,000 Air National Guard personnel.⁵

Florida State Park System

The Department of Environmental Protection (DEP), through its Division of Recreation and Parks (DRP), oversees Florida's 161 state parks, 10 state trails, nearly 800,000 acres, and 100 miles of beaches.⁶ Florida state parks and trails welcomed more than 27 million visitors during the 2013-2014 fiscal year.⁷ During this same time period, Florida state parks and trails generated over \$2.1 billion in direct economic impact, and over \$140 million in increased sales tax revenue.⁸

To administer, improve, and maintain Florida state parks and trails, the DRP charges reasonable fees for the use or operation of park and trail facilities.⁹ Typically, these fees are categorized as entrance fees and activity fees, although other fees may be charged in some cases.¹⁰ Daily entrance fees are typically charged per vehicle and range from \$4.00-\$6.00 for a single-occupant vehicle (or motorcycle admission) to \$5.00-\$10.00 for vehicles with two to eight occupants.¹¹ Annual entrance passes are also available.¹² The regular price for an annual entrance pass is \$60 for an individual and \$120 for a family.¹³

State Park Fee Discounts

Currently, DPR provides discounts on state park fees to certain persons who present written documentation. An active-duty military servicemember or honorably discharged veteran is eligible for a 25-percent discount on an annual entrance pass, and as a result, would only pay \$45 for an individual entrance pass or \$90 for a family entrance pass.¹⁴

An honorably discharged veteran who has a service-connected disability is eligible to receive lifetime family annual entrance passes at no charge.¹⁵ Also, the surviving spouse and parents of the following persons are eligible to receive lifetime family annual entrance passes at no charge:

- A member of the United States Armed Forces, National Guard, or reserve components who was killed in combat.
- A law enforcement officer, as defined in s. 943.10(1), F.S., or a firefighter, as defined in s. 633.102, F.S., who died in the line of duty.

County and Municipal Parks

According to the Florida Recreation & Park Association, there are over 260 county and municipal parks and recreation agencies in Florida, and most of them do not charge entrance fees.

Effect of Proposed Changes

The bill requires county and municipal parks to provide a full or partial discount on park entrance fees to the following individuals:

- Current members, honorably discharged veterans, and veterans with a service-connected disability, of the United States Armed Forces, their reserve components, or the National Guard;
- The surviving spouse or parent of a deceased member of the United States Armed Forces, their reserve components, or the National Guard, who died in the line of duty under combat-related conditions; and
- The surviving spouse or parent of a law enforcement officer or firefighter who died in the line of duty.

In order to take advantage of the discount, a park visitor must present written documentation satisfactory to the county or municipal department, which evidences the individual's eligibility. Typically, sufficient written documentation for an active duty military servicemember includes a current, valid military identification card, which may include the Common Access Cards (CAC).¹⁷ The CAC card is the

¹⁶ DEP provided the estimated sales information to the Veteran & Military Affairs Subcommittee on February 24, 2015.

¹⁷ An example of a CAC card can be found on the Department of Defense website on Common Access Cards, available at

standard identification for active duty uniformed service personnel, Selected Reserve, Department of Defense (DoD) civilian employees, and eligible contractor personnel.¹⁸

For an honorably discharged veteran, sufficient written documentation may include a copy of the veteran's separation from service documents, or the Uniformed Services ID Card,¹⁹ which allows access to various military service benefits or privileges.²⁰ There are seven types of Uniformed Services ID Cards and the benefits associated with each card depend on who the individual is.²¹

The bill does not require Florida residency.

For the purpose of minimizing any potential fiscal impacts to county or municipal revenue, the bill:

- Allows a county or municipal park to determine the amount of the discount in accordance with its financial circumstances; and
- Narrowly defines a "park entrance fee" to exclude other expanded campground fees for the use of amenities such as:
 - Aquatic facilities,
 - Stadiums or arenas,
 - Special events,
 - Boat launching,
 - Golf,
 - Zoos,
 - Museums,
 - Gardens, or
 - Programs taking place within public lands.

By restricting the park fee discounts to entrance fees, this may increase any potential positive fiscal impact on county or municipal revenue.

Although county and municipal parks may currently provide a full or partial discount on park entrance fees to these individuals, there may be a benefit from the uniformity that a state law would provide.

B. SECTION DIRECTORY:

Section 1: Creates s. 125.028, F.S., requiring a county department of parks and recreation to provide discounts on entrance fees at county parks to military servicemembers, veterans, and certain family members of deceased military servicemembers, law enforcement officers, and firefighters; defines the term "park entrance fees."

Section 2: Creates s. 166.0447, F.S., requiring a municipal department of parks and recreation to provide discounts on entrance fees at municipal parks to military servicemembers, veterans, and certain family members of deceased military servicemembers, law enforcement officers, and firefighters; defines the term "park entrance fees."

Section 3: Provides an effective date of July 1, 2015.

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

None.

2. Expenditures:

None.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

In 2014, the Revenue Estimating Conference estimated that the provisions of an identical bill would have an indeterminate, but likely insignificant fiscal impact on county and municipal government revenue. Although it is likely to have an insignificant negative fiscal impact to county and municipal governments, the Revenue Estimating Conference has not yet provided an estimate of the provisions of this bill.

To the extent that county and municipal parks charge park entrance fees at all, county and municipal parks may experience a decrease in revenue generated from park entrance fees.

However, publicity generated from such park entrance fee discounts may lead to an overall increase in revenue.

2. Expenditures:

None.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

Park fee discounts at county and municipal parks will be available to certain active-duty military servicemembers, honorably discharged veterans, disabled veterans, and certain family members of servicemembers who have died during combat. The surviving spouse or parent of a law enforcement officer or firefighter who has died while in the line of duty is also included.

D. FISCAL COMMENTS:
