12 assistant who maintains a valid and active certification under  
13 one of the following designations: certified surgical first  
14 assistant, from the National Board of Surgical Technology and  
15 Surgical Assisting; certified surgical assistant, from the  
16 National Surgical Assistant Association; surgical assistant-  
17 certified, from the American Board of Surgical Assistants.

18 (b) "Certified surgical technologist" means a surgical  
19 technologist who maintains a valid and active certification as a  
20 certified surgical technologist from the National Board of  
21 Surgical Technology and Surgical Assisting.

22 (c) "Surgeon" means a health care practitioner as defined  
23 in s. 456.001 whose scope of practice includes performing  
24 surgery and who is listed as the primary surgeon in the  
25 operative record.

26 (d) "Surgical assistant" means a person who provides aid in  
27 exposure, hemostasis, closures, and other intraoperative  
28 technical functions and who assists the surgeon in performing a  
29 safe operation with optimal results for the patient.

30 (e) "Surgical technologist" means a person whose duties  
31 include, but are not limited to, maintaining sterility during a  
32 surgical procedure, handling and ensuring the availability of  
33 necessary equipment and supplies, and maintaining visibility of  
34 the operative site to ensure that the operating room environment  
35 is safe, that proper equipment is available, and that the  
36 operative procedure is conducted efficiently.

37 (12) At least 50 percent of the surgical assistants and 50  
38 percent of the surgical technologists that a facility employs or  
39 with whom it contracts must be certified surgical assistants and  
40 certified surgical technologists, respectively. The requirements
