**I. Summary:**

SB 960 modifies student community service requirements affecting student eligibility for Florida Bright Futures Scholarship Program awards by clarifying that community service work means volunteer service work, expanding the permissible activities that students can participate in to meet the volunteer service work requirement, and placing parameters on such activities.

Specifically, the bill:

- Expands service work areas beyond social areas of interest to include a civic issue or a professional area of interest.
- Requires a student to develop a plan for personal involvement in addressing the social or civic issue or learning about the professional area, as well as reflecting on such experience through papers or presentations.
- Provides accountability requirements for a student's service work.
- Prohibits a student from receiving compensation or academic credit for the volunteer service work.

Additionally, the bill specifies that volunteer service work may include, but is not limited to, the following activities:

- Internship with a business or government entity;
- Work for a nonprofit community service organization; or
- Activity on behalf of a candidate for public office.

The volunteer service hours must be documented in writing and signed by the student, the student's parent or guardian, and a representative of the organization where the student volunteered.

The bill has no fiscal impact.

The bill takes effect on July 1, 2015.

## II. Present Situation:

The Florida Bright Futures Scholarship Program (Program) is a lottery-funded scholarship program to reward a Florida high school graduate who merits recognition for high academic achievement and who enrolls in a degree program, certificate program, or applied technology program at an eligible public or private postsecondary institutions in Florida after graduating from high school.<sup>1</sup> The Department of Education (DOE) administers the Program in accordance with rules and procedures adopted by the State Board of Education.<sup>2</sup>

The Bright Futures Scholarship Program consists of three types of awards:<sup>3</sup>

- Florida Academic Scholarship (FAS),
- Florida Medallion Scholarship (FMS), and
- Florida Gold Seal Vocational Scholarship (FGSV).

To be eligible to receive a Program award, students must meet the general eligibility criteria<sup>4</sup> and specific academic and community service work requirements.<sup>5</sup> The community service work must be approved by the district school board, the administrators of a nonpublic school, or the DOE for home education program students.<sup>6</sup>

To fulfill the community service work requirement for FAS, students graduating in the 2011-2012 academic year and thereafter, must perform at least 100 hours of community service work, identify a social problem of interest, develop a plan for personal involvement in addressing the problem, and reflect on such experience through papers or presentations.<sup>7</sup> The community service work requirement for the FMS and FGSV is the same as the requirement for FAS except for the number of community service work hours that FMS and FGSV students must volunteer. FMS students must perform a minimum of 75 hours of community service work<sup>8</sup> and FGSV students must perform at least 30 hours of community service work.<sup>9</sup>
