LEGISLATIVE ACTION

Senate	.	House
Comm: RCS	.	
01/20/2016	.	
	.	
	.	
	.	

The Committee on Environmental Preservation and Conservation
(Hays) recommended the following:

Senate Amendment (with title amendment)

Delete lines 155 - 158

and insert:

(4) If the beneficial use of a constructed clay settling
area has been extended, the rate of reclamation requirements in
paragraphs (1)(a)-(e) and the requirements of s. 378.208 shall
become applicable for such area when the beneficial use of such
area is completed.
