4 Remove lines 974-985 and insert:

5 (2) Every licensed health care practitioner shall provide
6 upon request by a patient, before providing any nonemergency
7 medical services in a facility licensed under chapter 395, in
8 writing or by electronic means a good faith estimate of
9 reasonably anticipated charges to treat the patient's condition
10 at the facility. The health care practitioner must provide the
11 estimate to the patient within 7 business days after receiving
12 the request and shall adjust the estimate for any potential
13 insurance coverage. The health care practitioner must
