120 (1) A facility licensed under this chapter shall provide
 121 timely and accurate financial information and quality of service
 122 measures to prospective and actual patients of the facility, or
 123 to patients' survivors or legal guardians, as appropriate. Such
 124 information shall be provided in accordance with this section
 125 and rules adopted by the agency pursuant to this chapter and s.
 126 408.05. Licensed facilities operating exclusively as state
 127 facilities are exempt from this subsection.

128 (a) Each licensed facility shall make available to the
 129 public on its website information on payments made to that
 130 facility for defined bundles of services and procedures. The

131 payment data must be presented and searchable in accordance
132 with, and through a hyperlink to, the system established by the
133 agency and its vendor using the descriptive service bundles
134 developed under s. 408.05(3)(c). At a minimum, the facility
135 shall provide the estimated average payment received from all
136 payors, excluding Medicaid and Medicare, for the descriptive
137 service bundles available at that facility and the estimated
138 payment range for such bundles. Using plain language
139 comprehensible to an ordinary layperson, the facility must
140 disclose that the information on average payments and the
141 payment ranges is an estimate of costs that may be incurred by
142 the patient or prospective patient and that actual costs will be
143 based on the services actually provided to the patient. The
144 facility shall also assist the consumer in accessing his or her
145 health insurer's or health maintenance organization's website
146 for information on estimated copayments, deductibles, and other
147 cost-sharing responsibilities. The facility's website must:

- 148 1. Identify and post the names and hyperlinks for direct
149 access to the websites of all health insurers and health
150 maintenance organizations for which the facility is a network
151 provider or preferred provider.
- 152 2. Provide information to uninsured patients and insured
153 patients whose health insurer or health maintenance organization
154 does not include the facility as a network provider or preferred
155 provider on the facility's financial assistance policy,
156 including the application process, payment plans, and discounts

157 and the facility's charity care policy and collection
158 procedures.

159 3. Notify patients and prospective patients that services
160 may be provided in the health care facility by the facility as
161 well as by other health care providers who may separately bill
162 the patient and that such health care providers may or may not
163 participate with the same health insurers or health maintenance
164 organizations as the facility.

165 4. Inform patients and prospective patients that they may
166 request from the facility and other health care practitioners a
167 more personalized estimate of charges and other information, and
168 inform patients that they should contact each health care
169 practitioner who will provide services in the hospital to
170 determine the health insurers and health maintenance
171 organizations with which the health care practitioner
172 participates as a network provider or preferred provider.

173 5. Provide the names, mailing addresses, and telephone
174 numbers of the health care practitioners and medical practice
175 groups with which it contracts to provide services in the
176 facility and instructions on how to contact the practitioners
177 and groups to determine the health insurers and health
178 maintenance organizations with which they participate as a
179 network provider or preferred provider.

180 (b)1. Upon request, and before providing any nonemergency
181 medical services, each licensed facility shall provide a
182 written, good faith estimate of reasonably anticipated charges

183 by the facility for the treatment of the patient's or
184 prospective patient's specific condition. The facility must
185 provide the estimate in writing to the patient or prospective
186 patient within 7 business days after receipt of the request and
187 is not required to adjust the estimate for any potential
188 insurance coverage. The estimate may be based on the descriptive
189 service bundles developed by the agency under s. 408.05(3)(c)
190 unless the patient or prospective patient requests a more
191 personalized and specific estimate that accounts for the
192 specific condition and characteristics of the patient or
193 prospective patient. The facility shall inform the patient or
194 prospective patient that he or she may contact his or her health
195 insurer or health maintenance organization for additional
196 information concerning cost-sharing responsibilities.

197 2. In the estimate, the facility shall provide to the
198 patient or prospective patient information on the facility's
199 financial assistance policy, including the application process,
200 payment plans, and discounts and the facility's charity care
201 policy and collection procedures.

202 3. The estimate shall clearly identify any facility fees
203 and, if applicable, include a statement notifying the patient or
204 prospective patient that a facility fee is included in the
205 estimate, the purpose of the fee, and that the patient may pay
206 less for the procedure or service at another facility or in
207 another health care setting.

208 4. Upon request, the facility shall notify the patient or

209 prospective patient of any revision to the estimate.

210 5. In the estimate, the facility must notify the patient
211 or prospective patient that services may be provided in the
212 health care facility by the facility as well as by other health
213 care practitioners who may separately bill the patient.

214 6. The facility shall take action to educate the public
215 that such estimates are available upon request.

216 7. Failure to timely provide the estimate pursuant to this
217 paragraph shall result in a daily fine of \$1,000 until the
218 estimate is provided to the patient or prospective patient. The
219 total fine may not exceed \$10,000.

220
221 The provision of an estimate does not preclude the actual
222 charges from exceeding the estimate.

223 (c) Each facility shall make available on its website a
224 hyperlink to the health-related data, including quality measures
225 and statistics, that are disseminated by the agency pursuant to
226 s. 408.05. The facility shall also take action to notify the
227 public that such information is electronically available and
228 provide a hyperlink to the agency's website.

246 ~~agency the constituent components of the services received~~
247 ~~within each department of the licensed facility and including~~
248 ~~unit price data on rates charged by the licensed facility, as~~

256 ~~patient's survivor or legal guardian, as appropriate, to contact~~
257 ~~the patient's insurer or health maintenance organization~~

259 2. Any subsequent statement or bill provided to a patient
260 or to the patient's survivor or legal guardian, as appropriate,

261 relating to the episode of care must include all of the

302 ~~cost actually incurred as an item of expense; however, the~~
303 ~~physician, dentist, podiatric physician, or licensed facility is~~
304 ~~entitled to fair compensation for all professional services~~
305 ~~rendered. The amount of the service or handling charge, if any,~~
306 ~~shall be set forth clearly in the bill to the patient.~~

307 ~~(7) Each licensed facility not operated by the state shall~~

320 ~~Failure to provide the estimate within the provisions~~
321 ~~established pursuant to this section shall result in a fine of~~

617 ~~pharmaceuticals, physicians, health care facilities, and health~~
618 ~~plans and managed care entities. The agency shall update the~~
619 ~~plan and report on the status of its implementation annually.~~
620 ~~The agency shall also make the plan and status report available~~
621 ~~to the public on its Internet website. As part of the plan, the~~
622 ~~agency shall identify the process and timeframes for~~
623 ~~implementation, barriers to implementation, and recommendations~~
624 ~~of changes in the law that may be enacted by the Legislature to~~

625 ~~eliminate the barriers. As preliminary elements of the plan, the~~
626 ~~agency shall:~~

627 ~~1. Make available patient safety indicators, inpatient~~
628 ~~quality indicators, and performance outcome and patient charge~~
629 ~~data collected from health care facilities pursuant to s.~~
630 ~~408.061(1) (a) and (2). The terms "patient safety indicators" and~~
631 ~~"inpatient quality indicators" have the same meaning as that~~

634 ~~regulations required by this state, or a national entity that~~
635 ~~establishes standards to measure the performance of health care~~
636 ~~providers, or by other states. The agency shall determine which~~
637 ~~conditions, procedures, health care quality measures, and~~
638 ~~patient charge data to disclose based upon input from the~~
639 ~~council. When determining which conditions and procedures are to~~
640 ~~be disclosed, the council and the agency shall consider~~
641 ~~variation in costs, variation in outcomes, and magnitude of~~
642 ~~variations and other relevant information. When determining~~
643 ~~which health care quality measures to disclose, the agency:~~

644 ~~a. Shall consider such factors as volume of cases; average~~
645 ~~patient charges; average length of stay; complication rates;~~
646 ~~mortality rates; and infection rates, among others, which shall~~
647 ~~be adjusted for case mix and severity, if applicable.~~

651 ~~required by this state, the National Quality Forum, the Joint~~
652 ~~Commission on Accreditation of Healthcare Organizations, the~~
653 ~~Agency for Healthcare Research and Quality, the Centers for~~
654 ~~Disease Control and Prevention, or a similar national entity~~
655 ~~that establishes standards to measure the performance of health~~
656 ~~care providers, or by other states.~~

657

658 ~~When determining which patient charge data to disclose, the~~
659 ~~agency shall include such measures as the average of~~
660 ~~undiscounted charges on frequently performed procedures and~~
661 ~~preventive diagnostic procedures, the range of procedure charges~~
662 ~~from highest to lowest, average net revenue per adjusted patient~~
663 ~~day, average cost per adjusted patient day, and average cost per~~

666 ~~and premium cost data from health plans licensed pursuant to~~
667 ~~chapter 627 or chapter 641. The agency shall determine which~~
668 ~~health care quality measures and member and subscriber cost data~~
669 ~~to disclose, based upon input from the council. When determining~~
670 ~~which data to disclose, the agency shall consider information~~
671 ~~that may be required by either individual or group purchasers to~~
672 ~~assess the value of the product, which may include membership~~
673 ~~satisfaction, quality of care, current enrollment or membership,~~
674 ~~coverage areas, accreditation status, premium costs, plan costs,~~
675 ~~premium increases, range of benefits, copayments and~~
676 ~~deductibles, accuracy and speed of claims payment, credentials~~

677 ~~of physicians, number of providers, names of network providers,~~

685 ~~the data shall be made available on the agency's Internet~~
686 ~~website in a manner that allows consumers to conduct an~~
687 ~~interactive search that allows them to view and compare the~~
688 ~~information for specific providers. The website must include~~
689 ~~such additional information as is determined necessary to ensure~~
690 ~~that the website enhances informed decisionmaking among~~
691 ~~consumers and health care purchasers, which shall include, at a~~
692 ~~minimum, appropriate guidance on how to use the data and an~~
693 ~~explanation of why the data may vary from provider to provider.~~

694 ~~4. Publish on its website undiscounted charges for no~~
695 ~~fewer than 150 of the most commonly performed adult and~~
696 ~~pediatric procedures, including outpatient, inpatient,~~

707 ~~including procedures governing requests, the ordering of~~
708 ~~requests, timeframes for handling requests, and other procedures~~
709 ~~necessary to facilitate the use of the center's data. To the~~

955 to that section to read:

956 408.810 Minimum licensure requirements.—In addition to the
957 licensure requirements specified in this part, authorizing
958 statutes, and applicable rules, each applicant and licensee must

968 each patient, or an individual identified pursuant to s.

970 serious harm to the patient. Notification of outcomes of care

989 policy, including the application process, payment plans,
 990 discounts, or other available assistance, and the practitioner's
 991 charity care policy and collection procedures. Such estimate
 992 does not preclude the actual charges from exceeding the
 993 estimate. Failure to provide the estimate in accordance with
 994 this subsection shall result in disciplinary action against the
 995 health care practitioner and a daily fine of \$500 until the
 996 estimate is provided to the patient. The total fine may not

 1236 provider must be consistent with the schedule posted under
 1237 subparagraph 3. Estimates shall, to the extent possible, be
 1238 written in language comprehensible to an ordinary layperson.

 1254 vary from the average depending upon the severity of illness and
 1255 individual resources consumed. The licensed facility may also
 1256 indicate that the price of service is negotiable for eligible
 1257 patients based upon the patient's ability to pay.

1258 7. A patient has the right to receive a copy of an
 1259 itemized statement or bill upon request. A patient has a right
 1260 to be given an explanation of charges upon request.
