The Committee on Appropriations (Smith) recommended the following:

**Senate Amendment (with title amendment)**

Between lines 259 and 260  
insert:

Section 9. Section 335.085, Florida Statutes, is created to read:

335.085 Installation of roadside barriers along certain water bodies contiguous with state roads.-

(1) This section shall be cited as "Chloe's Law."

(2) By June 30, 2018, the department shall install roadside

11 barriers to shield water bodies contiguous with state roads at  
12 locations where a death due to drowning resulted from a motor  
13 vehicle accident in which a vehicle departed the adjacent state  
14 road during the period between July 1, 2006, and July 1, 2016.  
15 This requirement does not apply to any location at which the  
16 department's chief engineer determines, based on engineering  
17 principles, that installation of a barrier would increase the  
18 risk of injury to motorists traveling on the adjacent state  
19 road.

20 Section 10. The Department of Transportation shall review  
21 all motor vehicle accidents that resulted in death due to  
22 drowning in a water body contiguous with a state road and that  
23 occurred during the period between July 1, 2006, and July 1,  
24 2016. The department shall use the reconciled crash data  
25 received from the Department of Highway Safety and Motor  
26 Vehicles and shall submit a report to the President of the  
27 Senate and the Speaker of the House of Representatives by  
28 January 3, 2017, providing recommendations regarding any  
29 necessary changes to state laws and department rules to enhance  
30 traffic safety.
