3 **Amendment**

4 Between lines 399 and 400, insert:

5 (aa) To require a permit applicant that seeks a permit to
6 conduct high-pressure well stimulation to submit to the
7 department for testing water samples from the surficial aquifer,
8 intermediate aquifer, upper Floridan aquifer, lower Floridan
9 aquifer, and any other aquifer that may be impacted by the well
10 stimulation. The rules shall require the permit applicant to pay
11 the costs of testing the water samples for water quality and
12 shall allow the testing to be conducted by the department or an
13 independent third party.
