

Amendment No.

CHAMBER ACTION

Senate

House

.

---

Representative Jenne offered the following:

**Amendment (with title amendment)**

Remove lines 658-675 and insert:

(h) Review and evaluate the potential impacts on human health, with a particular emphasis on prenatal health.

(2) The department shall continue conventional oil and gas business operations during the performance of the study. There may not be a moratorium on the evaluation and issuance of permits for conventional drilling, exploration, conventional completions, or conventional workovers during the performance of the study.

(3) The study is subject to independent scientific peer review.

Amendment No.

15 (4) The department shall submit the findings of the study  
16 to the Governor, the President of the Senate, and the Speaker of  
17 the House of Representatives by June 30, 2017, and shall  
18 prominently post the findings on its website.

19 (5) The department may not adopt rules for high-pressure  
20 well stimulation until the findings of the study are submitted  
21 to the Legislature. However, by March 1, 2018, the department  
22 shall adopt rules to implement the findings of the study if such  
23 rules are warranted to protect public health, safety, and the  
24 environment.

25 (6) If the findings of the study indicate any negative  
26 impacts on human or prenatal health, high-pressure well  
27 stimulation or acid well stimulation activities may not be  
28 conducted in the state and the department shall adopt and  
29 enforce rules specifying such prohibition.

30  
31 -----

**T I T L E A M E N D M E N T**

32 Remove line 49 and insert:  
33 under certain conditions by a specified date;  
34 prohibiting high-pressure well stimulation or acid  
35 well stimulation activities from being conducted in  
36 the state under certain circumstances; requiring the  
37 department to adopt and enforce such prohibition by  
38 rule; amending  
39
