COMMITTEE SUBSTITUTE - Substantial Changes

---

**I. Summary:**

PCS/CS/SB 202 renames the James Patrick Memorial Work Incentive Personal Attendant Services Program as the James Patrick Memorial Work Incentive Personal Attendant Services and Employment Assistance Program. The bill expands the use of the program to include services to disabled adults to assist them in securing and maintaining employment. The bill changes an existing oversight group to an oversight committee and revises its membership and responsibilities. The Florida Association for Independent Living will continue to provide administrative support from funds reserved for the program. The bill also increases the amount available to each state attorney that participates in the tax collection enforcement diversion program.

The bill has no fiscal impact on state funds.

**II. Present Situation:**

**The James Patrick Memorial Work Incentive Personal Attendant Services Program**

The James Patrick Memorial Work Incentive Personal Attendant Program (program) was established to provide personal care attendants to eligible persons with severe and chronic

disabilities of all kinds.<sup>1</sup> The program was established as a pilot in 2002<sup>2</sup> and made permanent and statewide in 2005.<sup>3</sup> Currently, the Florida Endowment Foundation for Vocational Rehabilitation (also known as the Able Trust)<sup>4</sup> is required to *enter* into an agreement with the Florida Association of Centers for Independent Living (FACIL) to administer the program.<sup>5</sup>

### ***Eligibility***

Persons eligible to participate in the program must:

- Be at least 18 years of age, a legal resident of this state, and significantly and chronically disabled;
- Require a personal care attendant for assistance with or support for at least two activities of daily living, such as bathing and dressing, as defined in s. 429.02, F.S.;
- Require a personal care attendant in order to accept a job or maintain substantial gainful employment; and
- Be able to acquire and direct a personal care attendant.<sup>6</sup>

### ***Training***

The FACIL must provide training to program participants on hiring and managing a personal care attendant. The FACIL must also, in cooperation with an oversight group, adopt and revise policies and procedures governing the personal care attendant program and the training program.<sup>7</sup>

### ***Oversight Group***

The purpose of the oversight group is to assure that the program is delivered in an appropriate, fair, and consistent manner.<sup>8</sup> The oversight group includes, but is not limited to, the following members:

- A member of the FACIL;
- A person who is participating in the program;
- One representative from the Department of Revenue;
- One representative from the Department of Children and Families;
- One representative from the Division of Vocational Rehabilitation in the Department of Education;
- One representative from the Medicaid Program in the Agency for Health Care Administration;

### **Program Funding**

There are two funding sources for the program:

- Tax Collection Enforcement Diversion Program;<sup>9</sup> and
- Fees from the motorcycle specialty license plate.<sup>10</sup>

### ***Tax Collection Enforcement Diversion Program***

In conjunction with the establishment of the personal care attendant program, the Department of Revenue was directed, in cooperation with the FACIL and the Florida Prosecuting Attorneys Association, to select judicial circuits in which to operate a tax collection enforcement diversion program (tax diversion program) to collect unpaid sales taxes from delinquent business owners.<sup>11</sup> Fifty percent of the collections from the tax diversion program are deposited into the special reserve account of the Florida Endowment Foundation for Vocational Rehabilitation (Able Trust) to be used to operate the personal care attendant program and to contract with the state attorneys participating in the tax diversion program.<sup>12</sup> Currently, funds can be used to contract with state attorneys who participate in the tax diversion program in an amount not to exceed \$50,000 for each state attorney. All sixteen Centers for Independent Living in all 20 judicial circuits participate in the tax diversion program.<sup>13</sup>

### ***Motorcycle Specialty (Bikers Care) License Plate Fees***

The Department of Highway Safety and Motor Vehicles (DHSMV) offers a specialty license plate to any owner or lessee of a motorcycle who chooses to pay the additional cost. The DHSMV collects an annual use fee of \$20 from the sale of each motorcycle specialty license plate and distributes the fees to the Able Trust as custodial agent.<sup>14</sup> The Able Trust is permitted to retain a maximum of 10 percent of the funds for administrative costs and distribute the remaining funds as follows:

- Twenty percent to the Brain and Spinal Cord Injury Program Trust Fund;
- Twenty percent to Prevent Blindness Florida;
- Twenty percent to the Blind Services Foundation of Florida;
- Twenty percent to the Foundation for Vocational Rehabilitation to support the personal care attendant program; and
- Twenty percent to the FACIL.<sup>15</sup>

### ***Administrative Expenses***

FACIL program administrative expenses are paid from funds deposited with the Florida Endowment for Vocational Rehabilitation (Able Trust) pursuant to the Tax Collection Enforcement Diversion Program<sup>16</sup> and the Motorcycle Specialty License Plate program.<sup>17</sup> Currently, FACIL receives 12 percent of the funds paid to or on behalf of participants from funds deposited with the Able Trust to administer the program.<sup>18</sup>

### **III. Effect of Proposed Changes:**

#### **The James Patrick Memorial Work Incentive Personal Attendant Services and Employment Assistance Program**

**Section 1** amends s. 413.402, F.S., to rename the James Patrick Memorial Work Incentive Personal Attendant Services Program as the James Patrick Memorial Work Incentive Personal Attendant Services *and Employment Assistance Program*. In addition to the provision of personal care attendants currently offered to eligible participants, the bill authorizes other support and services necessary to maintain competitive and integrated employment or self-employment to be made available by the program. The bill requires the Florida Endowment Foundation for Vocational Rehabilitation (Able Trust) to *maintain* an agreement with the FACIL to administer the program.

This bill defines the term “competitive and integrated employment” to mean employment in the public or private sector in which the employee earns comparable wages and benefits, commensurate with his or her qualifications and experience, and works in comparable conditions to those experienced by the general workforce in that industry or profession.

#### ***Eligibility***

This bill revises eligibility requirements for participation in the program to include persons who:

- Require a personal care attendant *and, as needed, other support and services* to accept an *offer of employment and commence working or maintain competitive and integrated employment*; and
- Have the ability to acquire and direct *the support and services provided in the program, including the services of a personal care attendant*.

#### ***Training***

The bill expands the types of training the FACIL must provide to program participants to include hiring and *management* of a personal care attendant *and other skills needed to effectively access and manage the support and services provided in the program*.

#### ***Oversight Committee***

The bill renames the existing oversight group as the oversight committee and changes its membership and responsibilities. Under the bill the oversight committee must include:

<sup>16</sup> Section 413.4021(1), F.S.

<sup>17</sup> Section 320.08068(4)(d), F.S.

<sup>18</sup> Section 413.402, F.S.

- The Director of the Division of Vocational Rehabilitation or his or her designee;
- A human resources professional or an individual who has significant experience managing and operating a business based in Florida appointed by the Speaker of the House of Representatives;
- A program participant appointed by the President of the Senate;
- The Director of the advisory council on brain and spinal cord injuries or his or her designee; and
- A financial management professional appointed by the Governor.

Representatives of the Medicaid program within the Agency for Health Care Administration, the Able Trust, the FACIL, the Department of Revenue, and the Department of Children and Families are removed from membership.

Additionally, the bill provides that the oversight committee is responsible for:

- Providing program oversight;
- Approving the program's annual operating budget for administration and oversight;
- Advising the FACIL on policies and procedures;
- Approving the maximum monthly reimbursement available to program participants; and
- Approving and maintaining a schedule of eligible services for which program participants may be reimbursed.

### **Program Funding**

#### ***Administrative Expenses***

The bill requires the FACIL to provide administrative support services to the program and the oversight committee to ensure the financial integrity of the program.

The bill changes the portion of the funds deposited with the Able Trust that are available to the FACIL to administer the program. Current law provides that the FACIL receives 12 percent of the funds paid to or on behalf of participants in the program to administer the program. The bill provides that costs associated with program administration and oversight in the annual operating budget approved by the oversight committee may not exceed 12 percent of the funds deposited with the Florida Endowment Foundation for Vocational Rehabilitation (Able Trust) for the program for the previous fiscal year or the budget approved for the previous fiscal year, whichever is greater.

#### ***Tax Collection Enforcement Diversion Program***

**Section 2** amends s. 413.4021, F.S., to increase the amount available to contract with the state attorneys participating in the tax collection enforcement diversion program to not more than \$75,000 per state attorney.

#### ***Motorcycle Specialty (Bikers Care) License Plate Fees***

**Section 3** amends s. 320.08068, F.S., to reflect the name change of the James Patrick Memorial Work Incentive Personal Attendant Services and Employment Assistance Program and to clarify

that 20 percent of the funds from the sale of specialty motorcycle licenses must be distributed to the *Florida Endowment Foundation for Vocational Rehabilitation (Able Trust)*.

**Section 4** provides an effective date of July 1, 2016.
