DELETE the following proviso from Specific Appropriation 383:

From the Funds in Specific Appropriation 383, the nonrecurring sum of \$1,814,880 from the General Revenue Fund is provided for mental health transitional beds to move eligible individuals currently in the state mental health institutions to community settings as an alternative to more costly institutional placement. The Department of Children and Families shall contract directly with the three not-for-profit, comprehensive community mental health treatment facilities located in the northern, central, and southern regions of the state that are currently under contract with the department for this service and qualified to provide integrated healthcare, offer a full continuum of care including emergency, residential, and outpatient psychiatric services, and have immediate capacity for placement.

AND INSERT:

From the Funds in Specific Appropriation 383, the nonrecurring sum of \$1,349,880 from the General Revenue Fund is provided for mental health transitional beds to move eligible individuals currently in the state mental health institutions to community settings as an alternative to more costly institutional placement. The Department of Children and Families shall contract directly with the three not-for-profit, comprehensive community mental health treatment facilities located in the northern, central, and southern regions of the state that are currently under contract with the department for this service and qualified to provide integrated healthcare, offer a full continuum of care including emergency, residential, and outpatient psychiatric services, and have immediate capacity for placement.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
