Following Specific Appropriation , INSERT:

Funds in Specific Appropriation 1471B are provided for the construction of an apiary research and extension laboratory at the University of Florida. Distribution of funds shall be contingent upon a 25 percent match from the University of Florida's Institute of Food and Agricultural Sciences and a 25 percent match from the Florida State Beekeepers Association.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
