LEGISLATIVE ACTION

Senate	.	House
Comm: OO	.	
02/29/2016	.	
	.	
	.	
	.	

The Committee on Rules (Latvala) recommended the following:

Senate Amendment to Amendment (369986)

1 Delete line 329
2
3 and insert:
4 and low-THC cannabis is safe for human consumption. The
5 dispensing organization must also contract with the independent
6 testing laboratory to test the low-THC cannabis for microbes,
7 mold, pesticides, fertilizers, harmful chemicals, and toxins.
