.

.

Senator Galvano moved the following:

Senate Amendment (with title amendment)

Between lines 39 and 40
insert:

(a) The Florida Virtual School may offer computer coding courses identified in the Course Code Directory. If a school district does not offer an identified course, it may provide students access to the course through the Florida Virtual School or through other means.

(b) The Department of Education shall annually report to the Board of Governors and the Legislature:

409420

12 1. The courses identified in the Course Code Directory
13 which meet the academic standards for computer coding.

14 2. The number of students, by district, including students
15 enrolled in the Florida Virtual School, who are enrolled in a
16 course identified in the Course Code Directory which meets the
17 academic standards for computer coding.

18
19 ===== T I T L E A M E N D M E N T =====

20 And the title is amended as follows:

21 Between lines 16 and 17
22 insert:

23 authorizing the Florida Virtual School to offer
24 computer coding courses identified in the Course Code
25 Directory; authorizing school districts to provide
26 students access to such courses under certain
27 circumstances; requiring the Department of Education
28 to annually report certain information to the Board of
29 Governors and the Legislature;
