Senator Sobel moved the following:

Senate Amendment (with title amendment)

Delete lines 908 - 920

and insert:

(6) A new or existing consumptive use permit that authorizes groundwater withdrawals of 100,000 gallons or more per day shall be monitored for water usage and the results of such monitoring shall be reported to the applicable water management district at least quarterly. The water management districts shall implement this subsection by following the general procedures in the Southwest Florida Water Management

246550

12 District's Water Use Permit Applicant's Handbook, Part B, dated
13 May 19, 2014, or by adopting rules that are more stringent than
14 the requirements of this subsection.
