

Amendment No.

CHAMBER ACTION

Senate

House

.

1 Representative Pafford offered the following:

2
3 **Amendment (with title amendment)**

4 Between lines 2991 and 2992, insert:

5 Section 26. Section 373.804, Florida Statutes, is created
6 to read:

7 373.804 Restoration of Outstanding Florida Springs within
8 springshed focus areas.—The department shall identify focus
9 areas within springsheds and apply the same remediation
10 techniques established for focus areas within Outstanding
11 Florida Springs pursuant to s. 373.803. To publicly demonstrate
12 that spring restoration is possible within a reasonable period
13 of time, the department shall select an Outstanding Florida
14 Spring within a springshed focus area for restoration and

Amendment No.

15 develop a plan that will, within 15 years, restore the water
16 flow to within 10 percent of historical levels and reduce
17 nitrate levels to below 0.35 mg/l. The department shall complete
18 and post the restoration plan on its website by July 1, 2017.
19 The department shall complete progress reports on such
20 restoration every 3 years thereafter and post the reports on its
21 website.

22 -----
23
24 **T I T L E A M E N D M E N T**

25 Between lines 138 and 139, insert:
26 creating s. 373.804, F.S.; directing the department to
27 identify focus areas within springsheds and apply
28 specified remediation techniques; directing the
29 department to develop a restoration plan for an
30 Outstanding Florida Spring within such focus area;
31 providing plan criteria; requiring the plan and
32 progress reports to be completed and posted on the
33 department's website by specified dates;
