I. Summary:

SB 628 adds the Agency for Persons with Disabilities to the list of specified state entities and vendors that pay a reduced fee per record for criminal history information for each name submitted.

The bill has an effective date of July 1, 2016, and has a minimal fiscal impact.

II. Present Situation:

Until May 25, 2015, the Department of Children and Families (“DCF”) performed background screening services for the Agency for Persons with Disabilities (APD or the agency). The agency’s providers, vendors, employers, Consumer Directed Care Plus participants and representatives screening fees for state criminal records checks was \$8.00.

Beginning in May 2015, the agency migrated to the state Provider Background Screening Clearinghouse which required the agency’s screenings to be processed separately from DCF’s screenings. Consequently, the agency’s providers, vendors, employers, Consumer Directed Care Plus participants and representatives were charged \$24.00 per screening submitted.

III. Effect of Proposed Changes:

The bill will add the Agency for Persons with Disabilities to the list of other state agencies that offer vendors and providers reduced cost for background screenings from \$24.00 per screening submitted to \$8.00 per screening submitted.
