I. Summary:

SB 628 adds the Agency for Persons with Disabilities to the list of specified state entities and vendors that pay a reduced fee per record for state and national criminal history information for each name submitted to the Florida Department of Law Enforcement (FDLE).

The bill has an effective date of July 1, 2016, and has a minimal fiscal impact to the FDLE.

II. Present Situation:

Until May 25, 2015, the Department of Children and Families (DCF) performed background screening services for the Agency for Persons with Disabilities (agency). The agency's providers, vendors, employers, and Consumer Directed Care Plus participants and representatives were charged screening fees for state criminal records checks of \$8.00.

Beginning in May 2015, the agency migrated to the state Provider Background Screening Clearinghouse which required the agency's screenings to be processed separately from the DCF's screenings. Consequently, the agency's providers, vendors, employers, and Consumer Directed Care Plus participants and representatives were charged \$24.00 per screening submitted.

III. Effect of Proposed Changes:

The bill will add the Agency for Persons with Disabilities to the list of other state agencies that offer vendors and providers reduced cost for background screenings, from \$24.00 per screening submitted to \$8.00 per screening submitted.¹

The bill is effective July 1, 2016.
