51 Be It Enacted by the Legislature of the State of Florida:
52

53 Section 1. Part XVII of chapter 468, Florida Statutes,
 54 consisting of ss. 468.901-468.908, Florida Statutes, is created
 55 and entitled "Art Therapy."

56 Section 2. Section 468.901, Florida Statutes, is created
 57 to read:

58 468.901 Legislative findings and intent.—The Legislature
 59 finds that understanding the power of art and art-making to
 60 stimulate memories and reveal emotions, and the skill to safely
 61 manage and interpret the reactions different art processes may
 62 evoke, are competencies that are unique to professionally
 63 trained art therapists. The Legislature further finds that the
 64 practice of art therapy presents a danger to public health,
 65 safety, and welfare if applied beyond the competence of the
 66 practitioner or if applied by individuals without appropriate
 67 training. It is the intent of this act to secure the health,
 68 safety, and welfare of the public, and to assist the public in
 69 making informed choices regarding art therapy services, by
 70 establishing minimum qualifications for the practice of clinical
 71 and professional art therapy.
